Hi Andy,

Ex. 5 Deliberative Process (DP)

Finally, I think Wednesday sounds like a great idea for this presentation, but I am still waiting to hear about the reconstruction schedule for my unit. Thus, let's plan on it now and I am hoping they have an answer for me by the middle of the day tomorrow. Sorry for this delay, but it is out of my control.

Have a good afternoon,
Jenny

Jenny and Regina,

We have a new version of a draft RARE briefing (attached above) for the OHD and others who may be interested in learning about this project.

In our last call, we agreed that it would be helpful to go over this presentation with R3 and R5 before we schedule the ODH briefing.

We are ready to make this presentation to you during this Wednesday's regularly scheduled meeting if you think that would be appropriate.

Please let us know.

Thank you very much,

Andy
